Jon is a Melbourne lawyer, broadcaster, writer and public speaker who was the Morning Presenter for over 20 years on ABC Radio Melbourne up until Oct 2019.

Jon bought his first Light 15 in 1975 when he was a student, and has pretty much had either a Traction, 2CV or DS - sometimes all three - ever since. He will speak on a range of topics that will keep us thoroughly entertained throughout the evening. There will be something for everyone including good old media gossip and his "Cheaper Than a Shrink" notion which is how he approaches playing with old Citroen cars.
