

# FLORENCE THOMSON *Tour*

The Florence Thomson Tour is proudly brought to you by the Association of Motoring Club (AOMC) on behalf of RACV. In February 1905, Florence Thomson was the sole female entrant in the Dunlop Reliability Motor contest from Sydney to Melbourne. Mrs Thomson was one of the 16 entrants who successfully completed the five-day trial, driving a six horsepower Wolseley, over what was then nothing more than 562 miles of dirt track between the capital cities.

To celebrate the pioneering spirit and contribution of women to Australian motoring, The Florence Thomson Tour was created as an annual event in April 2017 by the RACV.
